

RAISING THE STANDARDS IN MATERIAL HANDLING SINCE 1979

Happy Holidays 

Wishing you a holiday filled with love and laughter, and maybe, if you're lucky, a little bit of rest.

We want to thank you for your patronage. It has been a whirlwind of a year!

Cheers to a successful 2022 and to a prosperous 2023!!

Tuesday Dec 27th to Thursday Dec 29th – Regular hours

Friday Dec 31st – Closing early for New Year's Eve

Monday Jan 2nd – Closed for New Year's Day Statutory Holiday

Electric Forklifts

If you are looking to buy a new forklift or replace the one you have, electric may be the way to go. We are still seeing a lead time of 70-80 weeks on LPG trucks, yet the lead time on electric trucks is much shorter, often in the 16-20 week range.

Did you know that there are many benefits to owning an electric truck?

- Lower center of gravity and better stability due to heavy batteries
- Better rear visibility as the exhaust and fuel tank are gone
- Weather durability due to sealed motor compartment
- Smaller turning radius from tighter design
- Less vibration and operator fatigue
- Able to perform in high traffic area where noise is a factor
- Better adapted to smaller lifts, pickers and pallet movers
- Safe around perishable products
- Lower cost of ownership and longer lifecycle
- Cleaner to operate and maintain

If you are interested in owning an electric lift truck or have questions about whether it is the right fit for you, give us a call to discuss. Ask for Bill Alton, Greg Williams or Bill Miller at 905-788-0971.

December Specials

MOP BUCKET & WRINGER

- Wringer and bucket setup reduces splashing for a safer and cleaner work environment
- Built to accommodate heavy use
- Handles and wide rounded spout facilitate emptying
- Compatible with cleaning carts
- Colour: Yellow
- Wringer type: Side press
- Bucket capacity: 9.5 US gal. (38 quart)

JG811 \$94.95

FAN FORCED CONTRACT HEATER

- Built-in thermostat
- Safety high temperature limit
- Built-in handle/cord storage
- Permanently lubricated motor
- 6' heavy duty cord
- Steel spiral fan brazed to metal sheath elements for maximum heat transfer
- Voltage: 240 Amperage: 20
- BTU/H rating: 16380 Wattage: 4800
- Plug type: #6-30P

EB100 \$170.00

FASTFIT GLOVES

- Elastic cuff provides easy on/off flexibility
- Durable and dexterous synthetic leather palm
- TrekDry material top helps keep hands dry and comfortable
- TPR (Thermal Plastic Rubber) hook and loop closure for a secure fit to the wrist

The Gift of Giving

Lift Line will be participating in GIANT FM's "Haulin' for Hunger: Community Food and Toy Drive" again this year. We will be collecting unopened toys and non-perishable food items until December 16th.

Feel free to bring
in a donation
when you stop by!!

43 years ago Lift Line Machinery Ltd. began with the following Customer Bill of Rights :

Our Customers Have the Right to Expect:

- timely service as viewed from their perspective;
- service at a reasonable expense;
- courtesy, respect and empathy regardless of the situation;
- us to listen so as to understand their problems;
- communicate clearly and concisely with them;
- us to fix it right the first time and provide zero defects;
- expect all of our people to be qualified;
- us to be dedicated to go the extra mile;
- personalized service that addresses their specific needs;
- cleanliness in whatever our service for them might be.

We have stuck to this Customer Bill of Rights every day since 1979!
