Gratitude...

World Gratitude Day is celebrated on September 21 annually. This day aims to remind us of the importance of expressing gestures of thanks and appreciation. Understandably, sometimes we can get caught up in our busy lives and neglect to show how grateful we are for the people around us.

We are grateful for our team and their dedication to Lift Line. We are grateful for our vendors and the connections that we have made. We are grateful for you, our customers. Thank you for your commitment, for your kindness and for trusting us with your material handling needs!

COMPONENTS USED IN OUR PRODUCTS:

Community Support for Local Food Banks

Feed Niagara Members issued a December 2022 News Release stating that in Niagara, and Ontario, food bank usage is up over 40%, while support is down. We are aware of the fact that our community is filled with people in need, so we like to support local organizations that provide resources for people in our neighborhoods. Giant FM recently organized a food drive/back-to-school drive which we decided to participate in, without hesitation. As a team, we were able to donate backpacks filled with school supplies for 25 children, as well as several boxes filled with food, focusing mainly on lunch box items. Our food banks need help to fill their shelves and as a community we can provide that help.
