Brrr...

One more month of cold and snow.

Who am I kidding? This stuff can last another 2 to 3 months, but we choose to focus on the good that comes from these things. Cuddling up with a good book under a warm blanket; Snuggling close to the one you love (whether a person or a pet); Snowshoeing/Skiing/ Sledding and all fun things only winter can bring.

Stay warm, stay safe and have fun!!

(Psst...Valentine's day is on February 14th, this is your reminder to buy the flowers)

Forklift and MEWP Training

Why train with the rest when you can train with the best!!

Doug Littlewood is a knowledgeable and dedicated trainer who thrives for success in every class he teaches. He engages students in conversation, welcoming their expertise seeing as everyone who attends comes from diverse work environments. He teaches the necessary safety requirements listed in the OHSA in a way that is easy to understand and enjoyable. When evaluating his students on their practical use of the units, he allows each individual the time needed to be proficient operators. He works with experienced operators in a way that focuses on safety and breaking bad habits.

Doug is friendly, respectful and oh so smart,
if you're looking for some training, this is the place to start!

45 years ago Lift Line Machinery Ltd. began with the following Customer Bill of Rights :

Our Customers Have the Right to Expect:

- timely service as viewed from their perspective;
- service at a reasonable expense;
- courtesy, respect and empathy regardless of the situation;
- us to listen so as to understand their problems;
- communicate clearly and concisely with them;
- us to fix it right the first time and provide zero defects;
- expect all of our people to be qualified;
- us to be dedicated to go the extra mile;
- personalized service that addresses their specific needs;
- cleanliness in whatever our service for them might be.

We have stuck to this Customer Bill of Rights every day since 1979!
