Season's Greetings

...from the crew at Lift Line Machinery.

May the Holiday season fill your home with joy, your heart with love, and your life with laughter. Remember to find joy in the little things, as they have been the most important things all along!

Powered Lift-Truck Safety Program

A compliant and well-implemented lift-truck safety program is essential under the OHSA, which requires employers to take every reasonable precaution to protect workers. Most workplaces using lift trucks fall under Ontario's Regulation 851, making proper training, hazard assessments, and safe work procedures mandatory.

We help organizations develop practical, effective safety programs that go beyond basic operator certification. Our support includes:

- Identifying hazards related to lift-truck operation and pedestrian traffic
- Advise on preparing written hazard assessments and safety procedures
- Reviewing manufacturer information, workplace conditions, and incident data
- Developing site-specific rules and awareness materials
- Assisting employers, supervisors, JHSC members, and workers in building a collaborative program

Once completed, your customized program can be posted and shared to improve safety awareness throughout your facility.

If you need assistance developing or updating your lift-truck safety program, we're here to help. Contact us to get started.

Training Manager

TIS THE SEASON FOR GIVING

We will be supporting Giant FM/Niagara's New Country in their Haulin' for Hunger food and toy drive again this year.

"From November 27 - December 21, 2025 join us for 25 days of compassion – 4 weekends filled with heartfelt community spirit as we Haul for Hunger across Niagara. Our Community Food & Toy Drive will be on the road, visiting grocery stores, local events, and neighborhoods throughout all 12 Niagara municipalities – collecting food, toys, and hope for families who need it most."

Check out their website for more details: <https://www.giantfm.com/>

There are many organizations in the Niagara Region who offer support to people who are struggling. If you can, please give. These organizations need our generosity to thrive. And many people in our community need these organizations to live.

"The holiday season is a perfect time to reflect on our blessings and seek out ways to make life better for those around us." - Terry Marshall

47 years ago Lift Line Machinery Ltd. began with the following Customer Bill of Rights:

Our Customers Have the Right to Expect:

- timely service as viewed from their perspective;
- service at a reasonable expense;
- courtesy, respect and empathy regardless of the situation;
- us to listen so as to understand their problems;
- communicate clearly and concisely with them;
- us to fix it right the first time and provide zero defects;
- expect all of our people to be qualified;
- us to be dedicated to go the extra mile;
- personalized service that addresses their specific needs;
- cleanliness in whatever our service for them might be.

We have stuck to this Customer Bill of Rights every day since 1979!
